Dr. Sergey Ermasov has PhD of Economics. He worked as Full Professor in the Department of Finance at Saratov State University and Associate Professor in Saratov State Social-Economics University in Russia. He was Visiting Professor in Russian and East European Institute at Indiana University in Bloomington, IN. He was the teacher of Russian Language, Art and Culture for kids from 7 to 17 years in Russian school "Rosinka" (special project of Russian and East European Institute, Indiana University) in Bloomington, IN. One of his main principles is an individual approach to each student in his class.
